Scholarship Program

Each year, KOMU-TV, along with KBIA-FM, presents a scholarship to the outstanding minority student in the Broadcast News sequence. The student must have the qualities of energy, enthusiasm, accuracy, and a desire to excel in journalism. The student selected must also have at least one year of school remaining. KOMU-TV's News Director, under consultation with a staff member from KBIA, makes the selection which is awarded in April of each year. In 2009 the scholarship was awarded to a female minority student currently enrolled at the University of Missouri's School of Journalism.

Internship Program

The KOMU-TV internship program exposes college students to the dynamic responsibilities of a television station. Interns work 5-10 hours a week learning basic station operations. Past interns benefitted from opportunities in the station's Production, Promotion and Sales Departments. During the Winter 2009 and Summer 2009 semesters 4 interns gained experience in KOMU's Production Department. A number of past interns have gained employment with KOMU-TV after graduation.

Station Visits/Tours

KOMU-TV staff members regularly conduct station tours. Participants, which include students from local schools, local youth groups and other community organizations, are provided with opportunities to observe station operations and ask questions regarding station operations and opportunities in the broadcast industry. The station's staff often assists local youth groups with information necessary to help them obtain merit badges.

Employee Training

KOMU-TV consistently cross trains part time employees specifically in our production department to encourage development and potential full time opportunities. KOMU's Production Department tends to promote from within due to this practice. Many part time production employees are students looking to develop skills and prepare themselves for employment after graduation.
